Fees for all classes are charged on a term basis in order to keep accounting simple and consistent. We understand that each term varies in the number of weeks, however, through providing the same price for each term, the fees balance by the end of the year. Invoices will be prepared approximately 2 weeks prior to the end of each term and will be mailed to all families.

### REGISTRATION

An annual registration fee of \$45 is compulsory for all members. This fee includes registration with the centre, Gymnastics Australia and Gymnastics Victoria and also provides a personal accident insurance policy. This fee is due along with Term 1 fees by the end of the first week of term and must be paid in order to cover athlete for personal accident insurance.

Please note: The annual registration fee of \$45 is due along with Term 1 fees for 2012

### PAYMENT

Payment is required by the end of the first week of each term. Payment can be made via direct bank deposit, cheque or cash. Please respect our payment due dates, and contact us if you have any queries. Any unpaid fees will result in your child's removal from class. *PTO for payment options.*

### REFUNDS

Refunds will only be provided in the case of medical conditions on the production of a medical certificate for periods greater than one weeks duration. Depending on availability, make up classes are available for most classes. "Request for Refund" forms are available on our website.

By signing this form, you are agreeing to the Terms & Conditions of the Rebound Sport Aerobics Program, as detailed in this form and the Welcome Pack. All new participants are required to complete a medical form which can be downloaded from our website. This Medical Form will be kept on file.
